Public Notice:

The vacant Port of Friday Harbor Commission position for District 3 has three candidates for the upcoming November election. The Port Commission has chosen to avoid influencing the election by appointing a candidate who is not running for the District 3 position. This appointed Commissioner will serve until the voters choose the new District 3 Commissioner for the remaining term. Any registered voter residing in District 3 who would like to be considered for the temporary District 3 position is invited to submit a letter of interest to the Port by June 8, 2023. The Port anticipates that the selection for the temporary Commissioner may be made as early as June 14, 2023.
